Early Elementary • Grades K-1

Believe and Know

Lesson

9

Lesson Scripture: James 1:1-11

Key Verse

If any of you lacks wisdom, you should ask God, who gives generously to all without finding fault, and it will be given to you. (James 1:5)

Believe and Know

(James 1:1-11)

When trouble comes, do not get upset. Be joyful! Sometimes, your *faith* (what you believe in) will be put to the test. This means that you will wonder about your faith. Tests help your faith to grow strong. Tests teach you how to be patient and wait.

If you need wisdom, ask God for it. God will give it to you. But, make sure you believe that God will answer.

Poor people should feel proud. God will lift them up. Rich people should be glad that God will bring them low, because their riches will not last. Know what you believe!

For the Parents

Dear Parents/Guardians,

In today's lesson, your child heard that God will grant wisdom to all who ask and believe. As you review the story, pray with your child for wisdom and joy in the midst of trouble. Role-play a peer-pressure scenario, encouraging your child to ask God for wisdom in handling peer pressure. Recognize any efforts your child makes to respond to trouble patiently and with wisdom.
